Why the Jacksonville Jewish Center?

Are you looking for a way to support your community while also reaching a wider audience? Look no further than becoming a sponsor or placing an advertisement in our upcoming yearbook.

Here's why it's a great opportunity:

The **Jacksonville Jewish Center** is the largest synagogue in Northeast Florida. With our 750+ families across Duval and surrounding counties, we offer a wide variety of spiritual, educational and social programming. We support interfaith gatherings, the Sulzbacher Center, and other efforts to improve our community.

The yearbook is a remembrance book that has been distributed to our members for over 120 years and is also available digitally to be referred to throughout the year.

Why be a sponsor of the Center and advertise in our Yearbook?

Community Support: You're not just promoting your business; you're also supporting the local community. Your contribution helps us continue to provide valuable services and programs for families in our area.

Large Audience Reach: With 750+ families in our congregation, your business will be seen by a significant number of potential customers. Additionally, our yearbook is available electronically to ensure maximum exposure for your business.

Visibility at Events: As a sponsor at our Annual Community Wide Purim Carnival in March, your business will gain exposure to over 500+ families attending the event from around our community. This presents an excellent opportunity to showcase your business and attract new customers.

Online Presence: Your logo and/or a link to your business will be prominently displayed on our website, further increasing your visibility among community members and beyond.

Social Media Promotion: We'll also give your business a shoutout on our social media channels and emails, reaching an even wider audience and generating additional buzz for your business.

Don't miss out on this chance to support your community while gaining valuable exposure for your business. Contact us to reserve your sponsorship & advertising space in our yearbook and take advantage of this fantastic opportunity.
